Review of Recommendations and Feedback

TAG reviewed draft universal preschool recommendations released by the Transition Working Group (TWG) and heard about the feedback that had been collected to date through the listening sessions and other engagement opportunities. Members offered feedback and considerations.

Next Steps

TAG feedback will be considered by the TWG who will be releasing their recommendations by January 1 to the ECLC and the Governor's office. The ECLC will have until January 15 to approve the recommendations.

Thank you!

The ECLC co-chairs held a moment of appreciation for all of the work done over the last 6 months and the great input TAG has provided in the development of the 2 important reports.
