Background

HB21-1304 was passed by the General Assembly and signed into law by the Governor in June 2021. The law requires:

- The creation of a new unified Colorado Department of Early Childhood on July 1, 2022.
 - *To create the new department, the bill requires a transition plan, written by the Transition Working Group (TWG), be submitted by November 1, 2021. The ECLC is to approve the transition plan within 14 days after receiving the plan from the Office of the Governor.*
- A planning process for Colorado's new voluntary universal preschool program, which will be overseen by the new unified Department of Early Childhood. This new Colorado Department of Early Childhood will also be charged with the implementation of this program, beginning July 2023.

SUBGROUP STRUCTURE

The Early Childhood Leadership Commission (ECLC) is Colorado's federally- authorized state advisory council for early childhood. The ECLC Transition Advisory Group is convening subgroups to offer insights that will guide the creation of a transition plan to the new unified department of early childhood. Each group will offer recommendations from their perspectives or in their areas of expertise.

Other Ways to Engage

Stakeholder engagement is a critical component to this process. To offer updated information and gather feedback the ECLC will be managing the following resources for the public:

Updates

- Monthly Transition Plan [Newsletter](#)
- Monthly Town Halls (Next one: [September 7 at 5:30pm](#))
- Transition [Website](#)

Opportunities to provide input

- Feedback [Form](#)
- Statewide Listening Tour (to be scheduled**)

Listening Sessions

In addition to the TAG and its subgroups, the ECLC is also convening the following interactive user-centered listening sessions to ensure that the new department will meet the needs of those who are involved in and/or experience Colorado's current early childhood system.

Listening Session 2. Family Experiences

Discussion

- What's working well for your family in the current system?
- What could be improved?
- Imagine that in 5 years, the new department has been tremendously successful; what does it look like from your perspective?

Strengths

Opportunities

Vision

Format for Discussion

1. Orientation to Group Map
2. Smaller Group discussion on three questions (one at a time)
 - a. Establish a recorder and reporter for your group.
 - b. Discuss the first two questions, with the recorder capturing highlights on the Group Map.
3. Whole group sharing and listening.
 - a. Reporter share a key idea or theme from your discussion.

We will repeat steps 2 and 3 for the remaining question.

Breakout Discussion Process

Establish a recorder and reporter for your group

1. Discuss and document (7-8 minutes per question)
 - Use the link to access the *Keep it..Fix it...* map
 - Add ideas to provide input on the first two questions
 - If you see an idea you like, do not repeat – instead use the “thumbs up” button to like it.

We will return to whole group to move forward to the last question

Brainstorm → Action → Results Keep it...Fix it...Make it look like this

What's going well? :	What could be improved? :	Envisioning Success :
<p>+</p> <p>What thing is a 'don't touch that? What is something you've implemented that you would like to see statewide?</p>	<p>+</p> <p>What is slowing you down? Are there any disconnects in the system (communication, coordination) that make it difficult to serve families?</p>	<p>+</p> <p>Imagine you wake up in 5 years and the new department has been a tremendous success...What does that look like to you? How does success for you translate to positive experiences for children and families?</p>
