Early Learning & Development Guidelines

Carrie Germeroth

Colorado Early Learning and Development Guidelines (ELDGs) Update

Program, Quality, and Alignment Subcommittee

March 8, 2019

Purpose of CO ELDGs

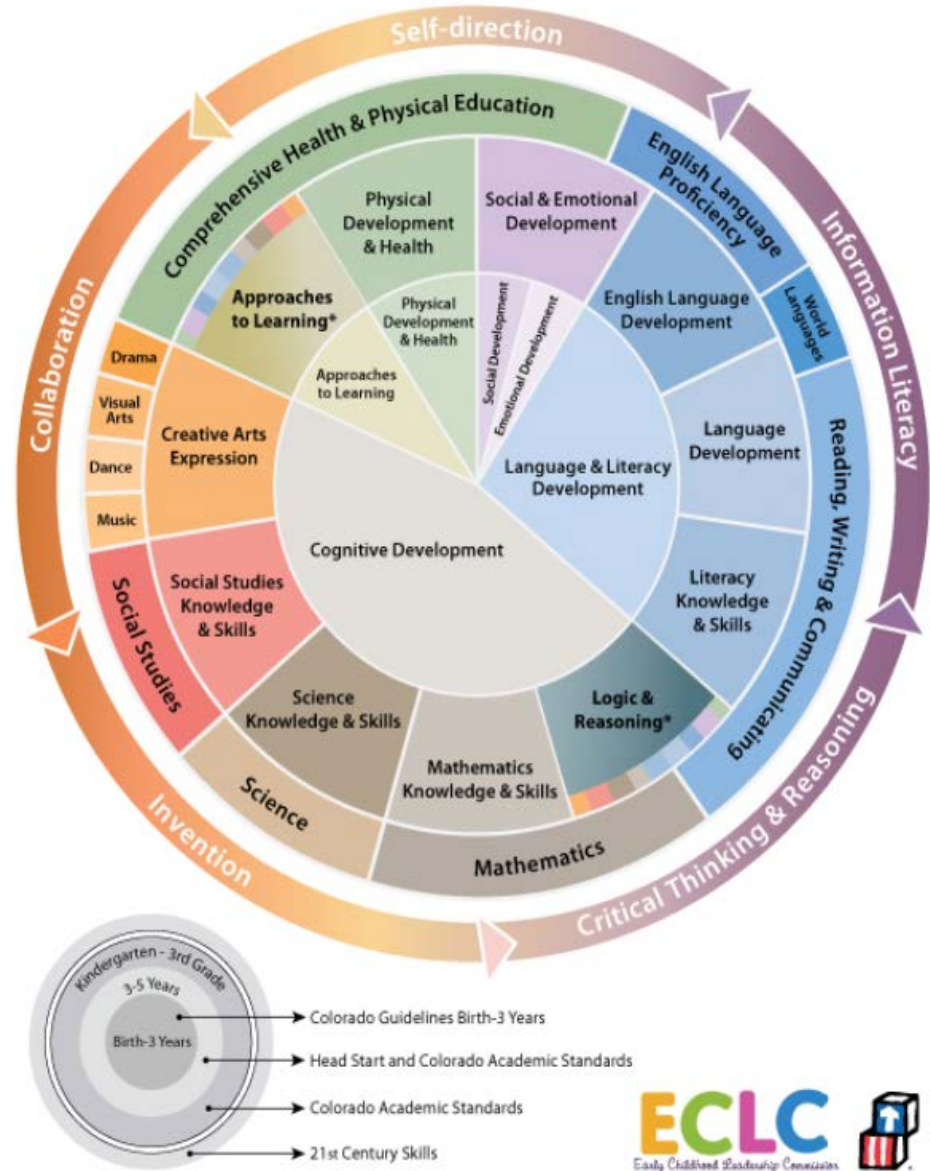

- To provide unifying guidelines across the comprehensive early childhood system(e.g. early care and education, home visitation, medical homes, early intervention, and parents).
- To provide the cornerstone in driving system-wide professional development, instruction, program quality standards, assessment, and intervention.

2011 CO ELDGs

- Aligned with other Colorado early learning guidelines and standards including common core and the Head Start framework,
- Ensure vertical alignment birth to age 8,
- Include all early learning domains,
- Be inclusive of ALL children,
- Build from the advances in early learning practices recently produced at the state and national levels.

Organization

- Birth -3yrs
- 3-5 yrs
- Kindergarten -3rd

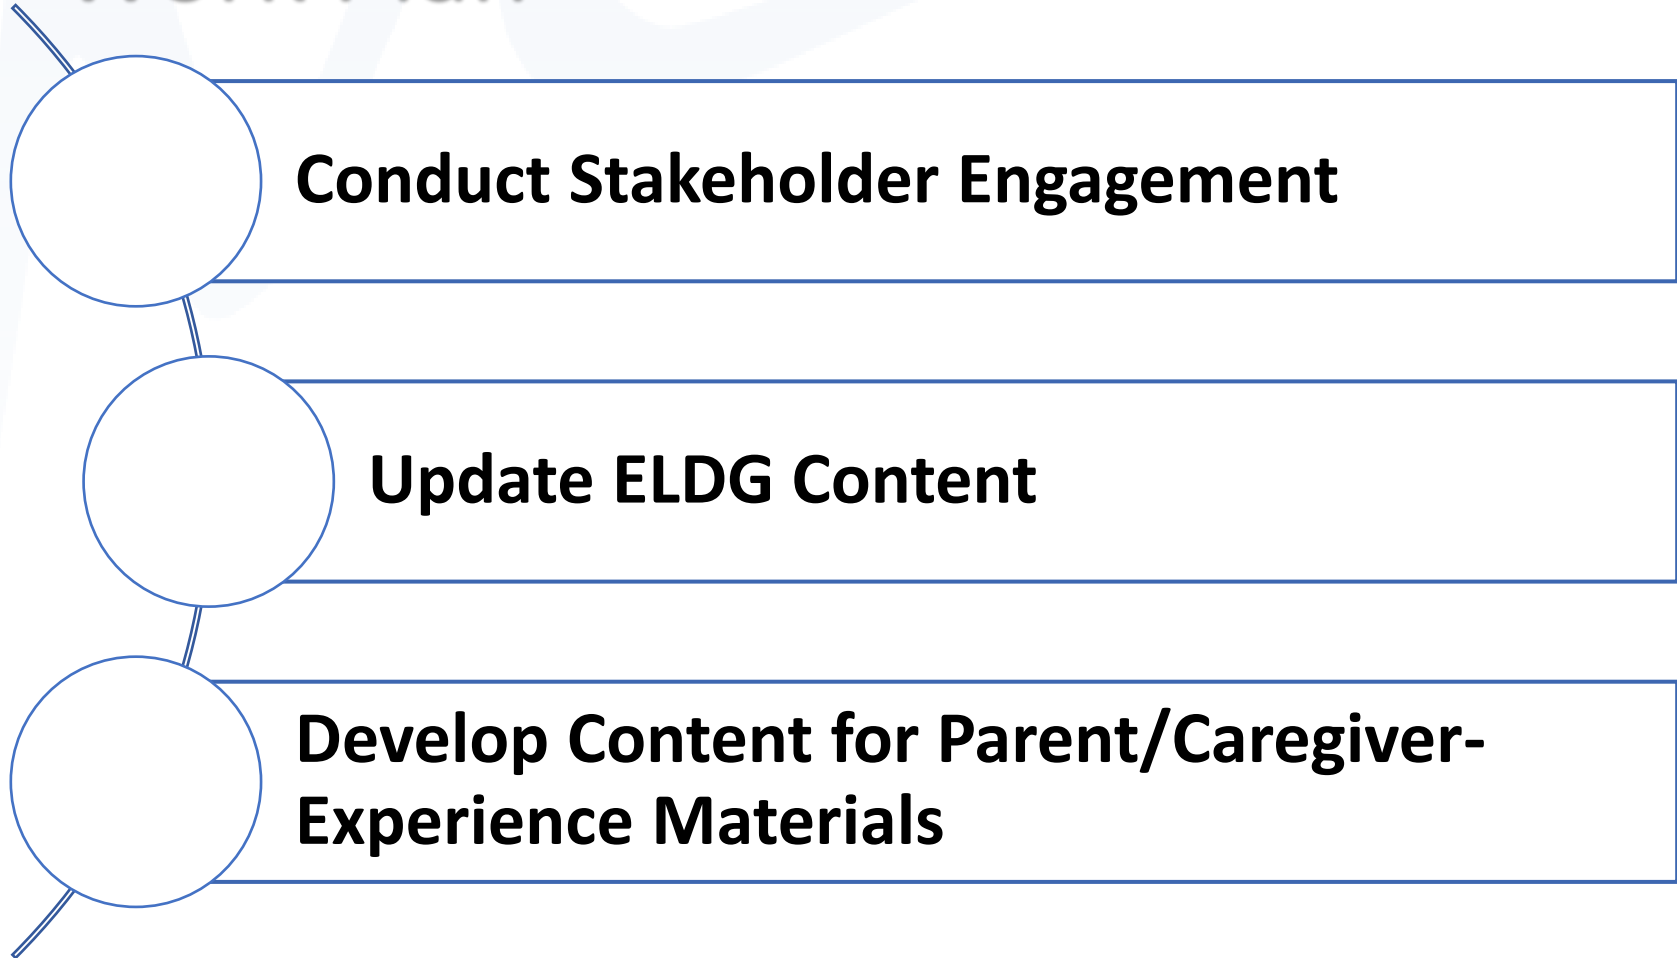

* are embedded within **all** content areas of the PK-3 Standards and **emphasized** within the 21st Century Skills.

Purpose of the CO ELDGs Update

- The update supports the CO Preschool Development Grant (PDG) B-5 activity - Maximize parental choice and knowledge

2019 CO ELDGs Update - Marzano Work Plan

Activity 1. Stakeholder Feedback

Small Group Advisory

- Content matter experts
- 2-4 meetings to provide oversight and recommendations for updates

Program Quality Alignment Subcommittee

- Broad stakeholder representation
- 1-2 meetings to provide feedback on alignment of updates with B-5 system and other activities of the PDG

Early Childhood Leadership Commission

- June 27, 2019 final presentation for endorsement by the ECLC

Activity 2. Update the ELDGs

- Alignment with 2015 Head Start Early Learning and Outcomes Framework (HSELOF, using previously created gap analysis).
- Alignment with updated Colorado Department of Education (CDE) Academic Standards.
- Incorporate new developments in early childhood research including but not limited to social/emotional development, physical health and development, and transitions.

Activity 3. Develop Content for Parent/Caregiver- Experience Materials

- Parent-focused content will identify and name parent experiences at each stage of a child's development, providing information, support and resources for parents and caregivers.
- Aligned with best current and relevant research.
- Easily accessible to parents online or through a local agency in their community.
- Example: <https://www.nysparentguide.org/growth-and-development>)
