Implementation Team Breakouts

Participants selected their implementation breakout:

1. [Coordinated Intake and Referral Systems](#)
2. [Early Childcare and Health Care Partnerships](#)
3. [Equity Planning](#)

Coordinated Intake and Referral Systems Implementation Team

SAGA Presentation:  CIRS IT SAGA Review.pdf

- Reviewed existing work findings & future opportunities findings
- Discussion on what to apply to activities

Reviewed the DSR E-referral project

- Close loop interagency state partnership to develop a way a health care provider could send a electronic referral from Electronic Medical Record system to different data systems
- Phase 1 pilot findings: more efficient all done online, much better tracking, improved workflow, need for tech updates and training for providers and referral coordinators

[Activity 1](#)

- Discussion on goal to expand the DSR e-Referral pilot or gather lessons learned from other e-referral projects.
- *Short term goal:* Learn about e-referral and other referral systems in CO such as Boulder & Chaffee

[Activity 3](#)

- Discussion on how to support all families regardless of language, races, ethnicity, etc.
- Discussion on goal to improve parent engagement & helping programs understand how they are engaging families

[Activity 2-](#)

- Discussed considerations: look at data, best practices, and policies; include transitions; gap in meeting family need for multiple services

Next Meeting:

- Activity 1- Creating a one page summary of phase 1. Think about what can we learn from other projects and what the end product is.
- Activity 3- Think about family engagement and assessment.

Early Childhood and Health Care Partnerships Implementation Team

SAGA Presentation:  Partnerships Workgroup SAGA Review.pdf

Reviewed activities:  Partnerships IT Work Plan

Discussion on ECCS grant size - fairly small

- What would we support if we had more money?
 - Plans are useful to state departments when funding becomes available and to advocacy agencies as a roadmap of what to pursue

Jamboard review: [EC & Health Care Partnerships Work Plan Feedback](#)

- All discussion points captured in Jamboard
- We will update all activities based on the discussion here.

Next meeting:

- Folks can keep adding to the Jamboard, or can email Christina and Kristen

Equity Planning Implementation Team

Process Overview

- [Liberatory Design](#) for Equity Process & [Dominant Culture Norms](#)
- Reflection Questions

CO-ECCS Project Overview

Reviewed [Equity Assessment Overview](#) & Team Roles and Responsibilities

Group Discussion on Expectations from Equity Assessment Meetings

- Deeper understanding of health disparities - reviewing data for root causes
- Ability to reflect individually and together as a group
- Learning framework to use to influence systems towards justice and equity
- Best practices to reduce inequities
- Building collaboration and partnerships around equity issues
- Understanding the problem we are trying to solve and setting clear goals
